THINGS YOU NEED TO KNOW:

There is no guard on duty in Donahue Hall (our dorm) as there has been in previous years. The outside door will be locked at all times, so make sure you have your key with you. The doors to the wings will be unlocked at all times to make access easier and safer for folks using scooters, walkers, etc. Please keep an eye out for UUMACers who may need help opening the heavy doors. We are trading easier access for double-door security, so be sure to lock your valuables in your room before leaving your wing!

The old McShea Commons (the large open space with the wooden floor) is being renovated and OFF-LIMITS at all times.

If you missed check-in on Sunday, be sure to see Diane Kraus to make sure your registration is complete, and Kamila Wylie-Jacob for your directory photo and name tag.

FUN NEWS:

On Thursday afternoon we will be having the UUMAC Carnival. During that time we will have a cake to celebrate everyone who is having a birthday during UUMAC. If you or someone you know are one of those special people, please let Pam Mann (Assistant Director) know, and she will put you on the birthday list!
