## AUCTION ALERT!

Good morning! We will be having the annual UUMAC auction on Thursday evening, 7 - 9 p.m., and are actively looking for your donations! Can you spare any new or gently used items? Please bring them to the DANKO room in the McShea building (first door on the right as you enter from the parking lot). Someone will be there to collect your items Tuesday and Wednesday from 7-8 p.m., or you can find me (Linda Wellman) after lunch. Also, please let me know if you have any services which you would like to donate, either during UUMAC week or after. Would you like to offer a music lesson? offer a guided imagery session? host a game night or dinner? offer bed and breakfast to a visitor? The opportunities are as broad as your imaginations and generous natures! Please let me know as soon as possible if you have any services you would like to donate: my cell phone # is 443-474-8929 (you can leave a message for Linda), or stop me anywhere at UUMAC.

1. DeSales has been a wonderful home to UUMAC for about twenty years. Please show your affection and respect by cleaning up after yourself and your children, and not making any permanent changes or marks on the buildings or sidewalks. (That includes carving "UUMAC Rules!" in the bathroom stalls, as some unknown person has done within the last year.)
2. Help wanted: Hate meetings? So do little kids! See Carla Miller to volunteer to provide childcare during our annual meeting (approximately 1-2 PM on Friday).
3. Volunteers are needed on Saturday to pack up the UUMAC office, activity and Night Owls supplies and convey them to Chris and Henry Davis' house in Allentown. At least 3 vans or trucks are needed, and 5-6 people. See Jo Paoletti

**Workshop Locations:** If you have forgotten your workshop location (too much night owls?) please consult the video displays in the UC!

### **Hall Monitors – Tuesday Night/Center Lobby (1<sup>st</sup> Floor)**

9:00 - 10:30 – Bryan & Ashley Egan; 10:30-12: John Robinette & Mark McBride

**UUMAC Food (yUUmmy!)**-I hope you're finding foods to suite your taste. The DeSales staff has kindly accommodated our UUnique palates. Feel free to voice any compliments directly to the food service staf. However, if you have food concerns or requests, please speak to me and I will address the issue with the appropriate DeSales staff member. A few people on diets requested a non-sugar beverage. Starting today, we will have unsweetened iced tea in the dining room. Happy Eating, Gail Compton (UUMAC Food Liaison)

**VIP Request:** Looking for temporary housing in Manhattan: My 30-year-old cousin is starting an 8-week treatment for cancer this week at Sloane-Kettering Hospital in Manhattan. The hope is that she will be able to do this on an outpatient basis. As she doesn't live in New York City, we are looking for short-term

housing for her & her caregiver(s.) It needs to be close to the hospital, as she will not but able to travel far. So far we haven't had any luck through CraigsList or the hospital social workers, so I'm turning to our ever-resourceful UU community. Any leads would be appreciated. If you don't see me around, please contact me at 301-906-5958 or [colleen.meiman@gmail.com](mailto:colleen.meiman@gmail.com). Many thanks!
